What We Are?

Let's take a leap to the futuristic world with GIR Logistics. A leader in the field, it continues to be at the forefront of the Logistics revolution with its path breaking innovations. GIR introduces itself as a single solution provider for the procurement and distribution needs of the industry. A globally competitive environment has created the need for faster, efficient and high-end logistics solutions for growth and success of businesses. We, at GIR strive to give efficient services at utmost competitive prices.

GIR is a multi-modal logistics with pan India reach and beyond. Our motto of "Business Beyond Boundaries" defines our total approach in our reach and customer care. Needless to say, the driving force for the company remains its relationships. And, its relationship with the customer holds a very special place. It is the ever evolving needs of the customer that challenges GIR Logistics to provide him services by combining high end technology. The entire company is geared to perform best in most critical of operations where safety and time bound services are a must. GIR is totally committed to modern technology and ready to meet the present day challenges of logistics revolution.

We see ourselves as a company which is truly global in its perspectives, policies and services.

On Par with
the most progressive
in the world - GIR

Excellent track record of last

50 Years.

REDEFINING. ENLARGING. EXPANDING

A progressive **VISION** to offer unique services

GIR envisions itself as a global leader in its segment, providing higher standards of exclusive and professional services. Growth of the company should be coupled with creating landmarks in changing the quality of life of its customers in terms of their success, prosperity and comfort. GIR should have a renowned branding as a trustworthy and work efficient organization. A one point core solution provider to the national and international customers, and by handling all aspects of logistics services, our VISION is to reach the zenith.

Our **MISSION** - To augment the existing infrastructure by combining high end technological solutions

GIR wants its presence to be felt in the industry as a dedicated and professional transportation and logistics service organization. Our team of motivated employees believes in strengthening the future by providing customized services with the combination of high quality systems to its customers.

QUALITY POLICY Optimum value solution provider to meet customer aspirations

We, at GIR are committed to provide professional management to take care of **Total Logistics** needs of our customers and make them satisfied every time.

Areas of Services

The company is providing a wide range of logistics solutions and services, which can be broadly categorized in the following divisions

GIR Movers

(Road Transportation)

GIR provides FTL, Part load and parcel services to a wide variety of industries through out India and neighboring countries. Our clients includes leading brands from the tele-communication, automobile, pharmaceuticals, bulk drugs, FMCG, yarn, cement, plywood and a host of other industries. We offer services in LCV, and truckload in various weight and size combinations to suit the needs of all customers. We also provide specialized close body container vehicles.

We have a Pan India reach with branches in all major cities and industrial hubs of India.

GIR 3PL

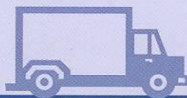

(Third Party Logistics & Equipment Hire)

This division of GIR is responsible for providing warehousing, third party logistics, and equipment leasing/hire & management solutions.

GIR provides supply chain management solutions, 3PL and inventory management solutions for a host of leading clients of the industry. The solutions are tailor made for the specific need of the clients. GIR provide warehouses with specialized infrastructure. It has its own proprietary & comprehensive warehouse management software which has been well appreciated by clients.

GIR provides various material movements and handling equipments including forklifts, cranes, trailers etc. on lease hire as per party specific requirement.

Business Beyond Boundaries

**Global
Leadership**

in the world of logistics....!

GIR ExDel

(Domestic Cargo)

This division of GIR is responsible for providing express cargo, retail, local distribution and cold chain solution to the clients.

GIR provides express cargo movement through a combination of road, rail and air movements. Many of the publishing houses and automobile part manufacturers are the main clients patronizing us for these services. The distribution activities are provided as per the requirement of the clients through our own fleet or by engaging dedicated vehicles from the vendors.

GIR Global

(International Cargo)

GIR provides inbound and outbound logistic services for international cargo from all major ports in India by air and sea.

We also specialize in movement to all neighboring countries for complete solution of surface transportation cum custom clearance.

GIR Jumbo

(ODC & Projects)

GIR provides specialized services for over dimensional cargo movements. We also take up turnkey assignments for total project movement. We provide specialized ODC trailers and high capacity cranes for movements. Our clients include clients from various PSUs, Oil exploration industry and power sector.

We specialised in project movements in North-East India which offers very difficult terrains.
